

OUR CHILD FRIENDLY VISION

As children at Windmill Hill School we will learn more about the fascinating world around us. We will achieve well, keep healthy and safe, learn how to make friends and work together.

Knowledge and Understanding

At Windmill Hill School we will develop good literacy and numeracy skills to help us understand and learn more about our world.

Learn together, Work together

At Windmill Hill School we will have fun and enjoy learning and work well together.

Keeping Healthy and Safe

At Windmill Hill School we will learn how to stay healthy and keep safe.

Teaching and Learning

At Windmill Hill we are keen to learn with a positive attitude even when work is more difficult. Teachers plan interesting and exciting lessons which help us to learn better.

Assessment

At Windmill Hill teachers help us to learn better by giving us the skills and knowledge that we need to improve.

Lessons

At Windmill Hill we enjoy exciting lessons which help us to develop our skills and understanding. Teachers expect us to try hard and do our best. Through a variety of activities we learn about the world we live in.

Including everybody

At Windmill Hill everyone is important. All the staff help us to learn successfully and make good progress. The staff work with our parents to support our learning.
