

## **Sport Premium Overview – 2015-2016**

### **Vision Statement**

At Windmill Hill Primary School we believe PE and Sport play an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better.

Through PE and Sport, our children learn to develop the important qualities of discipline, resilience, communication, team work, and ambition, leading to improved concentration, attitude and academic achievement.

### **The Vision**

We have welcomed the Government's announcement to provide additional funding to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource to develop high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our children.

### **Sport Premium Grant overview**

Funding for schools is calculated by the number of primary aged pupils (between the ages of 5 and 11) as at the annual census in January 2015. All schools with 17 or more primary aged pupils will receive a lump sum of £8,000 plus a premium of £5 per pupil.

<b>Total no of primary aged pupils at Windmill Hill between the ages of 5-11 (From Jan 2015)</b>	<b>282</b>
<b>Total amount of Sport Premium Grant received</b>	<b>£9410</b>

### What does the Sport Premium mean for Windmill Hill?

*'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013).*

At Windmill Hill we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:
