What will happen to a bully?

If someone is being bullied all of the adults in school will do their best to help. Time will be given to allow children to talk with each other in a safe space with an adult. The adult will work with the children to try and solve the problem and stop the bullying.

If a person deliberately hurts someone else or uses bad language a red card will be given instantly to follow our school rules. If bad behaviour towards other children continues the playtimes and golden times will be taken away from that person.
